After breakfast, we'll depart on the **Snow-Coach to Old Faithful**. As we approach the West Entrance to **Yellowstone National Park**, it's clear that we are about to experience something unlike anything we have ever experienced before. That anticipation only grows when our **knowledgeable local guide** explains that Yellowstone contains more wildlife than anywhere else in the lower 48, and more geothermal geysers, hot springs, mud pots, and steam vents- than anywhere in the world! In essence, we have arrived at the doorstep of one of the most magical places on the planet. **We'll take in Old Faithful** and enjoy a boxed lunch here before heading to the upper & lower basin. We'll make our way back to West Yellowstone where your **evening is free** to explore.

We'll head to **West Yellowstone Grizzly & Wolf Discovery Center** this morning. Experience the world of grizzly bears and gray wolves. All the animals at the Center are unable to survive in the wild and serve as ambassadors for their wild counterparts. Next, learn about Yellowstone's fascinating history at the **Yellowstone Giant Screen Theatre**. Far more than just a theatre, the Yellowstone Giant Screen Theatre offers a rare educational opportunity, through the **stunning film "Yellowstone"**. You will also find displays located in the lobby, so you can see the true Yellowstone as it is today and how it was a hundred, and 100,000 years ago! Your afternoon is free to explore the town of West Yellowstone on your own. Later this evening, we'll meet at the hotel, before departing for **dinner at a local favorite; Bullwinkle's Saloon and Eatery**.

Today take the **Snowcoach Canyon Tour**. Visit Yellowstone's "Grand Canyon" and see the Lower Falls – a 308 ft. drop! Experience the park's hottest and most dynamic geyser basin, abundant wildlife are found on this tour. We'll treat ourselves to another delicious boxed lunch in Yellowstone today, before heading back to the hotel. Dinner will be at the **historic Madison Crossing Lounge tonight**. The Madison Crossing Building was the first West Yellowstone School built in 1918. The restaurant/lounge is located in the former 1st grade classroom.

We'll head back to Bozeman today where a delicious lunch awaits... before we make our way to the airport for our flight home... Come along for one of our most unique and scenic tours "**Snow-Coach through Yellowstone**".
