Grand Glacier Excursion

7 Days / 6 Nights August 21 - 27, 2025

Day 1 - August 21, 2025: Off to Spokane & Davenport Hotel

OregonWest begins this excursion with pick ups in the Willamette Valley (Salem, Woodburn, and Tualatin) and then heads out into the beautiful Columbia River Gorge. Although today is a travel day, the group will have rest stops in the Gorge and Washington, allowing the group to take in the views and enjoy food along the way. The group will arrive in Spokane with time to visit Bing Crosby's childhood home. Later, check into the beautiful and historic Davenport Hotel in downtown Spokane and get ready for another delightful dinner.

Tomorrow the group will be in Montana! (L, D)

Day 2 - August 22, 2025: Silver Mine Tour and Kalispell, Montana

After breakfast at the Davenport Hotel, the group will depart for the Center of the Universe, Wallace, Idaho, whose other claim to fame is being the Silver Capital of the World. This small mining town has two very large titles, and the group will stop and have time to explore and decide for themselves. Start with a mine tour which will feature a ride on a trolley and walk through an actual silver mine. There will be free time after the tour in downtown Wallace for shopping, strolling, and lunch on your own. The group will then continue on to Kalispell where it will check into the Hampton Inn Kalispell, settle in, and then have dinner as a group in town. (B, D)

Day 3 - August 23, 2025: Glacier NP & Famous Red Bus Tour

After breakfast at the hotel, prepare for a day full of stunning vistas! The group will be picked up by the famous Red Bus tours, which take place in the vintage 1930s buses with roll-back roofs. Today the group will explore the park, stopping at multiple vistas for photo opportunities. The Red Bus tour will travel up Going-to-the-Sun road and cross the Crown of the Continent at Logan pass, among other beautiful locations. At the end of the tour, guests will have time to freshen up before going out to dinner again as a group. (B, D)

Day 4 - August 24, 2025: Gondola Ride at Whitefish Resort and Lake McDonald Boat Tour

After breakfast at the hotel, the group will head to new heights during a morning gondola ride at the Whitefish Resort. Here

guests will experience breathtaking views of Whitefish Lake, the Flathead Valley, Glacier National Park, and the Northern Rockies. At the summit of Big Mountain, guests can rest and visit the US Forest Service's Summit Nature Center before descending on the gondola. This afternoon, views will be from a different perspective, from the water as the group boards a boat tour of Lake McDonald. Return to the hotel to freshen up before heading out to the group's last dinner in Kalispell.

Day 5 - August 25, 2025: Coeur d'Alene Cultural Activity and Dinner Cruise
