

# Columbia Gorge Harvest Spectacular

**October 10-14, 2025**

**5 Days / 4 Nights**

This fantastic five-day, four-night trip is jam packed with fun and relaxation at the same time. How are we able to balance a full itinerary of fun and relaxation? Keep reading! We are calling it a Harvest Spectacular because we are including several very seasonal and timely activities around the idea of harvests: the Mount Hood Scenic Railway autumn excursion, we will be visiting wineries to taste previous harvests, and we will visit the Hood River Harvest Festival. All of this in addition to attending the Western Antique Aeroplane and Automobile Museum (WAAAM) Second Saturday event when they take out the vehicles and airplanes for a spin

# Columbia Gorge Harvest Spectacular

**5 Days / 4 Nights    October 10-14, 2025**

This fantastic five-day, four-night trip is jam packed with fun and relaxation at the same time. How are we able to balance a full itinerary of fun and relaxation? Keep reading! We are calling it a Harvest Spectacular because we are including several very seasonal and timely activities around the idea of harvests: the Mount Hood Scenic Railway autumn excursion, we will be visiting wineries to taste previous harvests, and we will visit the Hood River Harvest Festival. All of this in addition to attending the Western Antique Aeroplane and Automobile Museum (WAAAM) Second Saturday event when they take out the vehicles and airplanes for a spin (weather dependent), visiting a historic museum, and staying in some great hotels!

## **Day 1 - Friday, Oct. 10 - Mt Hood Scenic Railway**

Our Executive Coach will sail our guests into the gorge, with a stop to admire the views on our way to Hood River. The group will have lunch and sample either cider or wine before a short trip to the station for the Mount Hood Scenic Railway. The train will chug along some beautiful scenery, with changes in foliage sure to be evident, and have a layover at the fruit company. Once back in Hood River, guests will check into the Hampton Inn & Suites, located on Hood River and the Nichols Boat Basin, for the first two nights of our journey. After checking in, the guests will have dinner in town as a group. (L, D)

## **Day 2 - Saturday, Oct. 11 - WAAAM & Harvest Festival**

This morning after breakfast at the hotel, the group will head to the Western Antique Aeroplane and Automobile Museum (WAAAM) for Second Saturday. This is a fantastic opportunity to see automobiles and even airplanes in action, weather dependent, of course. Antique automobiles and airplanes are brought out of the hangars and are available for rides around the facilities, or airplane rides for a fee. In 2024, four OregonWest travelers flew in an antique biplane over the Gorge - the pictures are incredible! The group will then head to the annual Hood River Harvest Festival featuring dozens of vendors of food and crafts. Lunch will be on your own so you can sample from the vendors that you wish. After free time at the Harvest Fest, head with the group to sample wine from the Oregon side of the Gorge and then freshen up at the hotel. Dinner will again be in Hood River as a group. (B, D)

## **Day 3 - Sunday, Oct. 12- The Columbia River Gorge**

After breakfast, the group will check out of the hotel and head towards The Dalles, stopping at a viewpoint to get a good look at this section of the Columbia River Gorge. The group will visit the Columbia Gorge Discovery Center to take in the history of the region before lunch as a group in The Dalles. From here, the group will venture over to the Washington side of the Gorge to peruse the small towns and scenic views and sample the wines grown on the north side of the Columbia. Guests will check in at Skamania Lodge, home for the next two nights, and then drive into town for dinner as a group. A wonderful rest awaits at the Skamania Lodge tonight. (B, L, D)

## **Day 4 - Monday, Oct. 13 - Gorge Museum and Skamania**

This morning breakfast will be at the Skamania Lodge and then the group will head to the Columbia Gorge Museum in Stevenson to see a lesser visited Gorge attraction. The group will have lunch and capture more magnificent views before heading back for free time to enjoy Skamania Lodge. Dinner tonight will be at the Lodge, a perfect place to relax and reflect on a magnificent trip. (B, L, D)

## **Day 4- Tuesday, Oct. 14 - Journey Home**

This morning, the group will enjoy a leisurely breakfast and morning at Skamania Lodge. After checking out, head back to the Oregon side of the river with one more quick stop for a classic treat - icecream at the Sugarpine Drive-In. The group will then head back to Tualatin, Woodburn, and Salem. (B)
