Planes, Trains, & Classic Cars

3 Days / 2 Nights July 17-19, 2026

Experience the best of Oregon in one unforgettable getaway where innovation, nostalgia, and coastal beauty come together. From standing beneath the legendary Spruce Goose at the Evergreen Aviation & Space Museum to riding the rails along the scenic shoreline aboard the Oregon Coast Scenic Railroad, each day offers something unique and memorable. Relax for two nights at the oceanfront Inn at Spanish Head, enjoy fresh coastal cuisine, and take in sweeping Pacific views. Your journey concludes at the elegant Forest Grove Concours d'Elegance, where classic automobiles are displayed across the historic grounds of Pacific University—a perfect finale to a tour filled with timeless experiences.

Day 1 – Friday, July 17 | Evergreen Air Museum & Oregon Coast

We begin our journey traveling through the heart of Oregon's wine country to one of the state's most fascinating attractions, the Evergreen Aviation & Space Museum. Here, you will stand beneath the legendary Spruce Goose and explore an impressive collection of historic aircraft and exhibits that bring aviation history to life. Following our visit, we enjoy a relaxed lunch in McMinnville before continuing west through the Coast Range toward the Pacific. By mid-afternoon, we arrive at the stunning oceanfront Inn at Spanish Head, where every room offers sweeping coastal views. Take time to settle in, enjoy the scenery, or simply relax. This evening, we travel a short distance to Depoe Bay for a memorable welcome dinner overlooking the ocean at Tidal Raves before returning to your oceanfront room. (L, D)

Day 2 – Saturday, July 18 | Railroads & the Scenic Oregon Coast

After breakfast, we set out for a day filled with classic Oregon Coast experiences. Our morning takes us north along the coast with a stop along the way before arriving in Garibaldi for a highlight of the tour — a scenic ride aboard the Oregon Coast Scenic Railroad. This nostalgic journey follows the shoreline, offering beautiful views of Tillamook Bay and a glimpse into the golden age of rail travel. Following our train excursion, we continue along the breathtaking Three Capes Scenic Loop. With its rugged coastline, charming viewpoints, and quiet coastal beauty, this is one of Oregon's most picturesque drives. We will

pause for a scenic stop at Cape Meares or Oceanside, depending on conditions. We also enjoy a brief visit to Jacobsen Salt Company, known for producing world-renowned sea salt harvested from Oregon's coastal waters. We return to Lincoln City in the late afternoon with time to relax before dinner. Tonight's dinner is at the oceanfront Fathoms Restaurant & Bar, where elevated coastal cuisine is paired with sweeping sunset views. (B, D)

Day 3 – Sunday, July 19 | Classic Car Show

After breakfast, we depart the coast and return inland for the final highlight of our journey — the Forest Grove Concours d'Elegance, held on the beautiful campus of Pacific University. This premier automotive event showcases an exceptional collection of vintage, classic, and rare automobiles displayed across shaded lawns. Guests will have time to explore the show at their own pace, visit with collectors, and enjoy the elegant atmosphere. Following the event, we gather for a relaxed farewell lunch at a local favorite. We then begin our return to the Willamette Valley, arriving home later this afternoon with wonderful memories of a uniquely Oregon experience. (B, L)
